

A few people

``As I recall, there are cases like the following... ① Sapporo Driver's License Examination Office Counter 4 The numbers on the date were rewritten because they couldn't read it, and the new paper had health problems checked that shouldn't exist. When I pointed it out, there was no excuse. ②At the Norbesa Street Piano, when I was playing alternately with an older woman, he deliberately clapped loudly just for the older woman from the back of the basement, which I didn't have. Isn't it all the same even if you're bad at it? 3. I was called a dobe by a young man several times on the street! I doubt the jealousy, jealousy, jealousy, and harassment that comes with it... There were many kind people...
